## INTERIOR DESIGN CERTIFICATE COURSE

Expert Workshop

The 2-year interior design program is an intensive, industry-aligned course designed to provide a comprehensive foundation in both creative and technical aspects of the profession. The curriculum focuses on hands-on learning, with core modules in space planning, furniture history, material application, color theory, & lighting; placing special emphasis on technical proficiency practical workshops in rendering, furniture design and CAD modeling.

Students gain strong digital proficiency by working with software such as AutoCAD, SketchUp, Revit, and the Adobe Suite. Regular design studios, site visits, and live projects ensure that students receive industry exposure and real-world learning.

Taught by experienced professionals, the course includes guest lectures and portfolio development, providing the necessary skills and confidence to enter the interior design field.

***Empowering minds, transforming futuers..***

### PROGRAM HIGHLIGHTS

- 2 Years - 4 semesters - Certificate course
- Experienced Faculty: Highly qualified, industry-experienced faculty bring academic depth and professional insights into the classroom.
- State-of-the-Art Infrastructure: Studios designed for creativity and collaboration, including drafting labs, carpentry workshop, model making workshop, and material resource laboratory
- Library & e-Library access: The library has extensive physical and digital collections, including books, magazines, journals, and research databases related to design, construction art, and architecture.
- Fully Equipped Computer: Modern computer labs loaded with the latest design and visualization software, such as Auto CAD, Revit, Sketch UP, 3D Max, and Adobe Creative Suite.
- Site Visits and Study Tours: Frequent visits to on-going sites, vendor visits, heritage buildings, and exhibitions offer practical insights to the profession.
- Strong Industry Connect: The course integrates live projects, networking opportunities, and Internship assistance with interior design firms, ensuring that students graduate with valuable industry exposure and experience.

Studio Culture

### ELIGIBILITY CRITERIA

- Students who have passed their 10th-grade examinations with a minimum of 55% aggregate
